

Project Demo Planning

Date	03 JULY 2026
Team ID	XXXXXX
Project Name	A Comprehensive Measure of Well-Being
Maximum marks	1 Mark

Project Demo Planning:

A well-structured demo plan ensures that the team presents the project effectively, covering all key aspects in a clear and organized manner. This document outlines the plan for demonstrating the project, including the flow of the demo, key features to highlight, and responsibilities of each team member.

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Introduction & Problem Statement	Introduce the project, explain the Human Development Index (HDI) problem, objectives, and motivation behind developing the system.	2	Leela Kanakala
2	Solution Overview	Explain the project architecture, machine learning workflow, dataset, technologies used, and system modules.	3	Manthena Ashmitha
3	Dataset & Model Demonstration	Demonstrate data preprocessing, feature selection, model training, and HDI prediction process.	3	Potti Sri Lakshmi Chetan
4	Live Web Application Demo	Demonstrate the Flask web application, input HDI indicators, and show the prediction results with visualizations.	4	Yashwanth Reddy
5	Data Visualization & Insights	Present charts, graphs, and explain how users can interpret the prediction results and compare development indicators.	2	Deekshitha Pathi
6	Conclusion & Future Enhancements	Summarize project outcomes, discuss future improvements, answer questions, and conclude the demonstration.	1	Leela Kanakala

Demo Flow Summary

Step	Activity	Notes
1	Introduction & Problem Statement	Briefly introduce the project, explain the importance of HDI prediction, and discuss the objectives.
2	Solution Overview	Explain the system architecture, machine learning model, Flask application, and technologies used.

Step	Activity	Notes
3	Live Feature Demonstration	Demonstrate user input, HDI prediction, data visualizations, and overall application workflow.
4	Q&A Session	Answer questions, explain model performance, discuss future enhancements, and conclude the presentation.
