Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Leela Kanakala	Team Lead & Presenter	Project Introduction, Problem Statement, Model Overview, Conclusion	Coordinated the project, explained objectives, machine learning workflow, system architecture, and concluded the demonstration.	Active
2	Manthena Ashmitha	Documentation Presenter	Project Documentation & Solution Overview	Presented project proposal, documentation, requirements, and explained the overall solution design.	Active
3	Deekshitha Pathi	Data Analysis Presenter	Dataset Analysis & Data Visualization	Demonstrated dataset exploration, preprocessing overview, charts, graphs, and analytical insights.	Active
4	Potti Sri Lakshmi Chetan	Machine Learning Presenter	Data Preprocessing & Model Training	Explained feature selection, preprocessing steps, model training, testing, and evaluation process.	Active
5	Yashwanth Reddy	Application Demonstrator	Flask Web Application & Live Prediction	Demonstrated the web application, user input process, HDI prediction, and final output generation.	Active
6	Entire Team	Q&A Session	Question & Answer	Collaboratively answered evaluator questions and explained future enhancements and project scalability.	Active

Team Coordination Notes

Aspect	Details
Team Leader / Coordinator	Leela Kanakala
Overall Team Coordination Rating (1–5)	4 / 5
Any Issues During Demo	Minor timing adjustments were required to ensure smooth transitions between presenters.
How Issues Were Resolved	The team coordinated effectively, followed the predefined demo plan, and supported each other during the presentation, ensuring a seamless demonstration.
